

WILDFLOWERS – Jun 2025

Wild flowers may be planted on our beautiful site but, to retain the woodland nature of the site, please choose only from those listed here and ensure that you **BUY WILD FLOWER bulbs, plugs or seeds and NOT garden varieties**. Some suitable suppliers are shown below. **We reserve the right to remove any plants not listed here as we must avoid hybridisation resulting from cross-pollination. This is important to protect wildflowers in our woodland burial ground and in surrounding land of adjacent landowners.** *Please note that as some backfilling of graves may take place, planting is best left until six months after the burial.*

Latin Name	Common Name	Flowering Time	Flower Colour
