

YEALMPTON WOODLAND BURIAL

MEMORIAL PLAQUES

Memorial plaques are optional and not included in our subscriptions. You will need to order, and pay for, your own plaque conforming to these guidelines. It is our intention that the burial ground 'reverts to nature' and in these circumstances, whilst we keep a record of each grave position, graves will become difficult to locate as the surrounding trees and shrubs mature. Relatives and friends are therefore encouraged to place an engraved slate plaque at the head of the grave to commemorate the deceased. An engraved memorial slate should be placed AT THE WEST END of the grave (This is the end nearest the lane). It can be placed either by yourself or, if using one of the suppliers listed below, by us as part of our service to you.

We require that memorial plaques are:

- 12 inches by 12 inches by 1 inch thick and laid flat on the ground.
- Made from natural slate with a matt finish i.e. not polished.
- Lettering should be in-filled white or not painted. Discreet emblems such as shown above may be included.

We reserve the right to approve the design and wording used on plaques.

In the case of burial of ashes, the plaque must be placed OVER THE URN as an aid to location in the future as we do not map urn burial locations. Memorial trees may also have a plaque placed adjacent to them.

Local suppliers who will offer a competitive price include:

Co-operative Monumental Services, 111 Efford Road, Plymouth PL3 6NG
Tel: 01752 771393

Martin & Sons, 103-107 Efford Road, Plymouth PL3 6NG
