YEALMPTON WOODLAND BURIAL

WILDFLOWERS

Wild flowers may be planted on our beautiful site but, to retain the woodland nature of the site, please choose only from those listed here and ensure that you BUY WILD FLOWER bulbs, plugs or seeds and NOT garden varieties. Some suitable suppliers are shown below. We reserve the right to remove any plants not listed here as we must avoid hybridisation resulting from cross-pollination. This is important to protect wildflowers in our woodland burial ground and in surrounding land of adjacent landowners. *Please note that as some backfilling of graves may take place, planting is best left until six months after the burial.*

Latin Name

Common Name

Alliaria petiolata Allium ursinum Anemone nemorosa Anthriscus sylvestris Ajuga reptans Circaea lutetiana Digitalis purpurea Ranunculus ficaria Viola riviniana Galium mollugo Galium odoratum Hyacinthoides non-scripta Hypcrcium hirsutum Lamiastrum galeobdolon Primula vulgaris Geranium Robertianum Silene diocia Stachys officinalis Oxalis acetosella Stellaria holostea Teucrium scorodonia Vicia cracca Carnpanula trachelium Viola odorata Primula veris Galanthus nivalis
